ENG. ABDIRASHID ABDULKADIR AHMED

Software Developer | Java • Python • Web Development

+252 617536123 | abdirashidabduqadir912@gmail.com | Somalia

PROFESSIONAL SUMMARY

Motivated BCA graduate with foundational skills in Java, Python, HTML, CSS, JavaScript, and MySQL. Interested in software development and building practical applications. Familiar with debugging, object-oriented programming, relational database concepts, and basic UI development. Eager to continue developing technical skills through real-world projects and collaborative work.

TECHNICAL SKILLS

Programming: Java, Python
Web: HTML, CSS, JavaScript
Database: MySQL, basic SQL, JDBC
Tools: VS Code, Eclipse, MS Office
Core: Problem-solving, debugging, database structures, clean UI layout design, software lifecycle basics

EXPERIENCE

IT Assistant Intern

- Assisted with troubleshooting software and hardware issues.
- Supported database tasks using MySQL.
- Helped install, configure, and update software systems.
- Provided IT support and learned system maintenance.

TECHNICAL PROJECT

House Rental Management System

Technologies: Java, MySQL, JDBC

Developed a system for property listings, rental management, tenant records, and payment tracking. Integrated a MySQL database using JDBC, demonstrating foundational skills in backend development, relational database design, and object-oriented programming.

EDUCATION

Bachelor of Computer Applications (BCA) | 2018–2022
Jamhuriya University of Science & Technology (JUST), Somalia | CGPA: 2.9
Higher Secondary / +2 | SYL Schools | Percentage: 70.57%

CERTIFICATES

- Responsive Website Basics — University of London
- IELTS English Certificate

LANGUAGES

English • Somali

STRENGTHS

Quick learner • Teamwork • Adaptability • Communication

ADDITIONAL SKILLS

Analytical thinking • Working under pressure • Meeting deadlines

ACHIEVEMENTS & INTERESTS

Completed programming self-learning courses; built Java-based projects; participated in academic teamwork and leadership. Interests: reading, writing, coding, and traveling.
