ABDIRASHID ABDULKADIR AHMED

Software Developer | Full-Stack with Python | Web Development

+252 617536123 | abdirashidabduqadir912@gmail.com | Somalia | GitHub

PROFESSIONAL SUMMARY

Motivated BCA graduate with foundational skills in Java, Python, HTML, CSS, JavaScript, and MySQL. Interested in software development and building practical applications. Familiar with debugging, object-oriented programming, relational database concepts, and basic UI development. Eager to continue developing technical skills through real-world projects and collaborative work.

EXPERIENCE

IT Assistant Intern

- Assisted with troubleshooting software and hardware issues.
- Supported database tasks using MySQL.
- Helped install, configure, and update software systems.
- Provided IT support and learned system maintenance.

PROJECTS

AI Invoice Agent [Prototype]

An n8n workflow that extracts invoice details and sends them to a structured record.

Problem: Reading invoices and logging them by hand is slow and easy to get wrong. Technologies: n8n, AI agents, Automation.

Sales AI Agent [Prototype]

An n8n workflow that drafts sales messages from lead details.

Problem: Writing a personal follow-up for every lead takes time. Technologies: n8n, AI agents, Automation.

House Rental Management System

Technologies: Java, MySQL, JDBC

Developed a system for property listings, rental management, tenant records, and payment tracking. Integrated MySQL using JDBC, demonstrating foundational skills in backend development, database design, and OOP.

EDUCATION

Master of Computer Applications (MCA) — Sep 2025 – Present | CGPA: 7.5 / 10

ITER, Siksha 'O' Anusandhan (S'O'A) University

Bhubaneswar, India | Specialization: Software Engineering

Bachelor of Computer Applications (BCA) — 2018 – 2022 | CGPA: 2.9 / 4.0

Jamhuriya University of Science & Technology (JUST)

Mogadishu, Somalia | Coursework: Data Structures & Algorithms in Python & Java, DBMS, Operating Systems, Computer Networks

Higher Secondary (+2) — 2017 – 2018 | Percentage: 70.57%

SYL Schools

TECHNICAL SKILLS

Programming	Java, Python
Web Development	HTML, CSS, JavaScript
Backend	Django, FastAPI, PHP, Node.js
Database	MySQL, basic SQL, JDBC
Tools & Platforms	Git, GitHub, Netlify, PowerShell

CERTIFICATIONS

- Responsive Website Basics — University of London
- IELTS English Certificate
